	
Leōnardus est canis frigidus.	animal barbarum est bonus pater.	ovēs sinistrae sunt malae matrēs.

### EXERCITIO IN DECLINATIONE TERTIA

- ubi canis frigidus ovēs sinistrās vīderat, dīxit: "ego ovēs sinistrās dentib⁹ frigid⁹ mordēbō!"
- ovēs sinistrae canī frigidō dīcunt, "ō Leōnarde! es canis frigidus et ridiculous!"
- canis ovibus dīcit, "ego sum canis frigidus, sed estis matrēs malae rēgum ridiculōrum!"
- ovēs animālī barbarō exclāmant, "ō pater bone, sumusne malae matrēs rēgum ridiculōrum?"
- animal barbarum ovibus respondet, "ō filiae meae, estis malae, et fīlī vestrī sunt rēgēs ridiculī!"
- Caesar rēgibus stupidīs exclāmābit, "ō ridiculī fīlī ovium sinistrārum, ego vōs lapidibus pulsābō!"
- in mentibus malīs, ovēs sinistrae putabunt, "sī Caesar rēgēs lapidibus pulsāverit, nōs Caesarem cane frigidō pulsābimus!"
- canis scrīptōrī exclāmābit, "sine scrībere! haec fabula est turpis!"
